

THIRTY-FIFTH ANNIVERSARY

Anniversaries seem to be the fashion this year. We have just passed the anniversary of the birth of Edgar Allen Poe. February 12th was the 100th anniversary of Abraham Lincoln; February 22nd will be the 177th anniversary of George Washington, the father of our country.

While the country at large is celebrating the births of its great men, we would like to celebrate the anniversary of the introduction of SHERWIN-WILLIAMS PAINT into Christian county. This was 35 years ago this month. During that 35 years there has been sold in this county not less than 16,000 gallons of this paint. It was first introduced here by Gish & Garner, then Forbes & Bro. took hold of it, and afterwards the Forbes Manufacturing Company. The latter firms have been handling it for twenty years. During that time there has not been a single complaint made of the quality of this paint. If there was any complaint during the 15 years it was sold prior to that time, we have never heard of it. No higher recommendation could be given an article than this, and our annual sales of S. W. P. attest the public appreciation of this fact. This is one of the two best seasons of the year to paint. Nature furnishes the time and we furnish the opportunity. Don't forget the old household brand, SHERWIN-WILLIAMS paint.

Great paint is also worthy of celebrations.

OUT OF JAIL

Nine Alleged Night Riders Admitted to Bail.

Clarksville, Tenn., Feb. 18.—The nine men who have been in jail several weeks on indictments charging them with being connected with the depredations in the Fourteenth district were yesterday released from jail, having succeeded in making bond—and they were a happy lot as they filed out of the judge's office. They were allowed to give bond for \$3,000 on the first indictment, no action being taken on the other indictments.

The men were brought to the court house in charge of deputy sheriffs Black and Darnell about noon. Sheriff Staton was present and Clerk Staton took the acknowledgment of the defendants' bond, swearing each man separately. The following were called in the order named: John Hanly, John Basham, Andy Crozier, James Davis, Sam Weakley, Julius Hollis, Bud Hollis, W. D. Stewart and Marcellus Rhinehart.
